2. To prepare the rice:
 - Spray steamtable pans with food release spray.
 - Place 3 pounds + 10 ounces of brown rice in each 12" x 20" x 4" steamtable pan and add 2½ quarts of hot water to each pan.
 - Add 2 teaspoons of salt to each pan and mix to distribute the salt.
 - Steam the rice for approximately 45 minutes or until the rice is tender and fluffy. Check at 30 minutes of cooking time for the amount of water absorption. If needed, add more water.
 - Cover the rice, and place in warmer until ready to serve.

Rice amounts are based on USDA Food Buying Guide. Overcooking or hot holding rice for long periods of time will increase the volume and the yield.

CCP: Hold and maintain product at a minimum temperature of 135 degrees F. Check temperature every 30 minutes.

3. Spray braising pans with food release spray.
4. Add the onions, garlic powder, parsley and pepper to the pan. Stir the vegetables to combine. Cook over low heat for approximately 5 minutes, or until the onions are soft.
5. Add the thawed beef crumbles to the mixture and stir until well combined.
